

Fulfill Your Foreign Language at UT

Start your language studies as early as possible in your college career. The languages below are listed by general area of origin; of course, they are part of many cultures around the world (see map). If you plan to do historical research, it would be good to consult with the History faculty to determine which language(s) would be most useful for your future studies.

SEQUENCES: The UT Austin sequences listed on this page are subject to change. Some languages start only in the fall. Some programs may offer intensive summer course sequence options (e.g., Modern Greek). If you have prior knowledge of a language you should read that department's requirements for placement testing. Sequences may vary if taken in transfer or through Study Abroad programs. Additional details on language studies can be found at <http://www.laits.utexas.edu/languages/>
